Hey Wes,
We have already received a request from Nondalton, from their President. So, they don't need to submit anything else.

Thanks - Tami

Hi Wes,
I just recieved this email and sorry it has taken so long to reply. I think we would like to request government to government consultation on the Bristol Bay Watershed Assessment. Is there some sort of letter of request we would need to send in for this? If you can please get back to me that would be great,
thanks
Kristy

This is a follow up to the several emails sent in past months on this issue. You are receiving this because we don't have a documented response from your Tribe. Please indicate whether your Tribe is requesting Government to Government consultation on the BB Watershed Assessment or whether you will just remain involved through the public process.

Please respond immediately.

Thanks,

Westley Foster
